GDPR readiness

Make no mistake – the EU’s General Data Protection Regulation, in force from May 25, 2018, requires far-reaching changes to most companies’ business processes.

But GDPR is not as scary as you’ve been led to believe. Nortal helps companies turn their compliance costs into an opportunity to better maintain and use the data they have.

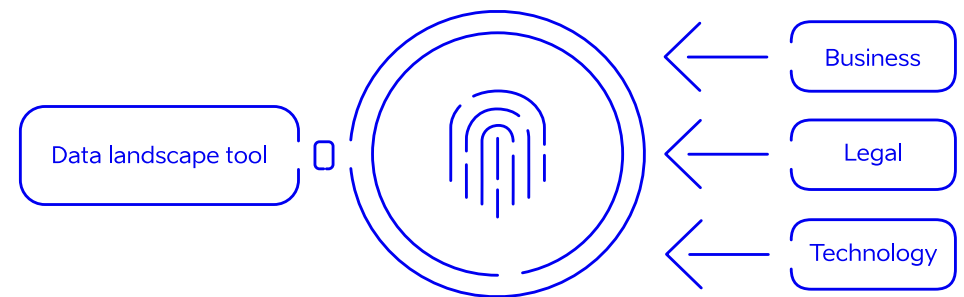

Combining our expertise in change management with IT solutions and data governance tools, we can guide you through the entire GDPR implementation journey, from data discovery to action roadmap.
